**UNITED STATES BANKRUPTCY COURT

In re:

DAVID'S BRIDAL, LLC, *et al.*,

Debtors.¹

Chapter 11

Case No. 23-13131 (CMG)

(Jointly Administered)

**GLOBAL NOTES, METHODOLOGY AND SPECIFIC DISCLOSURES
PERTAINING TO SCHEDULES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed by David's Bridal, LLC ("DB U.S.") and its affiliates as debtors

¹ The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number, are: David's Bridal, LLC (4563); DBI Midco, Inc. (7392); DBI Holdco II, Inc. (7512); DBI Investors, Inc. (3857); David's Bridal Canada, Inc. (N/A); and Blueprint Registry, LLC (2335). The location of debtor David's Bridal, LLC's principal place of business and the debtors' service address in these chapter 11 cases is 1001 Washington Street, Conshohocken, Pennsylvania 19428.

and debtors in possession in the above-captioned chapter 11 cases (the “Debtors”) include financial information that is unaudited and was prepared pursuant to section 521 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) in conjunction with the Debtors’ management and advisors. Although the Debtors’ management team has made reasonable efforts to file complete and accurate Schedules and Statements based upon the information available to it at the time they were prepared, a variety of factors, including, among other things, the complexity of the Debtors’ business operations, makes it such that the Schedules and Statements remain subject to further revision and verification by the Debtors. The Debtors reserve the right to amend their Schedules and Statements from time to time as may be necessary or appropriate. See Fed. R. Bankr. P. 1009 (“A voluntary petition, list, schedule, or statement may be amended by the debtor as a matter of course at any time before the case is closed.”). The Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors’ Schedules and Statements (the “Global Notes”) is incorporated by reference in, and comprises an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

INTRODUCTION

1. Bankruptcy Case. On April 17, 2023 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code, commencing the above-captioned chapter 11 cases in the United States Bankruptcy Court for the District of New Jersey. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 28, 2023, the Office of the United States Trustee appointed an Official Committee of Unsecured Creditors (the “Committee”) in these Chapter 11 Cases. As of the date hereof, no request has been made for the appointment of a trustee or examiner.

2. Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.

3. Amendment. While reasonable efforts were made to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors thus reserve the right to amend and/or supplement their Schedules and Statements from time to time as may be necessary or appropriate. See Fed. R. Bankr. P. 1009.

4. Recharacterization. The Debtors have made reasonable efforts to characterize, classify, categorize, or designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements correctly. The Debtors may, however, have improperly characterized, classified, categorized, or designated certain items. As such, the Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate information reported in the Schedules and Statements as necessary or appropriate at a later time as additional information

becomes available, including, but not limited to, whether contracts listed herein were executory as of the Petition Date or remain executory post-petition.

5. Summary of Reporting Procedures. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

a. Asset/Liability Presentation. The Debtors' fiscal year is based on a "4-5-4" calendar promulgated by the National Retail Federation. All asset information contained in the Statements and Schedules, except where otherwise noted, is as of the Petition Date. The liability information, except where otherwise noted, is as of the Petition Date. Unless otherwise noted, the Debtors have indicated net book values for assets as of the Petition Date in their Statements and Schedules.

b. Leases. In the ordinary course of business, the Debtors lease real property and various articles of personal property, including furniture, fixtures, and equipment, from certain third-party lessors. Every attempt has been made to set forth all such leases in the Schedules and Statements. Leased or owned property or assets may not be specifically designated as such in the Schedules and Statements and/or may not be specifically designated as property or assets of third parties within the control of the Debtors. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including for purposes of whether to assume and assign or reject a lease or whether a lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to all such issues.

c. Contingent Assets. The Debtors may possess certain claims and causes of action against various parties, including contingent claims in the form of various avoidance actions they could commence under the Bankruptcy Code and other relevant non-bankruptcy laws. The identity and amounts of those claims and causes of action, if any, are not yet known and, therefore,

the Debtors reserve all rights with respect to any claims, causes of action, or avoidance actions. Nothing contained or omitted in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion thereof.

d. Classifications. Listing a claim (i) on Schedule D as “secured,” (ii) on Schedule E as “priority,” or (iii) on Schedule F as “unsecured nonpriority,” or listing a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights, if any, of the claimant or a waiver by the Debtors of their rights, if any, to recharacterize or reclassify such claim or contract. In particular, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

e. Disputed, Contingent, and Unliquidated Claims: Schedules D, E, and F permit the Debtors to designate claims as contingent, unliquidated, and/or disputed. Notwithstanding the Debtors’ failure to designate any claim on any of these Schedules as contingent, unliquidated, and/or disputed, the Debtors reserve all rights to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability, or status.

f. Conversion Rate. The Debtors’ internal books and records for Debtor David’s Bridal Canada, Inc. (“DB Canada”) are maintained in both U.S. dollars (“USD”) and Canadian dollars (“CAD”). For purposes of these Schedules and Statements, the Debtors have disclosed amounts in USD only, which implies a conversion rate of 0.746603 as of April 17, 2023.

g. Predecessor-in-Interest: In certain instances, liabilities, claims, and contracts may be in the name of David's Bridal Inc., the predecessor in interest to DB U.S. Such liabilities, claims, and contracts have been included on the Schedules and Statements for DB U.S.

h. Intercompany Transactions. The Debtors maintain business relationships and enter into transactions amongst themselves and with their non-Debtor wholly and partially owned foreign affiliates (the “Foreign Affiliates”) in the ordinary course of business (the “Intercompany Transactions”). The Intercompany Transactions involving the Foreign Affiliates include purchases of ready-made bridal garments and other inventory at arms’ length, under arrangements that the Debtors would enter into with any other vendor. For example, in the ordinary course of business, the Debtors purchase merchandise from Foreign Affiliate Fillberg Limited (“Fillberg”), which is a joint venture that is 50% owned by the Debtors and serves as the exclusive agent for the sourcing of foreign purchased ready-made garments for the Debtors.² The Intercompany Transactions also include (a) sales of inventory by DB U.S. to DB Canada and non-debtor David’s Bridal UK Limited (“DB U.K.”) which are invoiced on a monthly basis, (b) management service fees charged by DB U.S. to DB Canada and DB U.K. representing the cost of U.S. based corporate functions that benefit those entities, and (c) royalty payments by certain Foreign Affiliates or Debtors to other Debtors.

At any given time, as a result of the Intercompany Transactions, there may be claims owing by a Debtor to another Debtor or to a Foreign Affiliate and vice versa (the “Intercompany Accounts”). For example, DB U.S. paid franchise taxes on account of its affiliated Debtors, which amounts are recorded as receivables on the books of DB U.S. (and thus appear on that entity’s Schedule A/B) and as payables on the books of its affiliated Debtors (and thus appear on those entities’ Schedule F). The Debtors also incur centrally billed expenses, such as insurance premiums, employee benefits, taxes (other than payroll taxes), workers’ compensation obligations,

² The Debtors’ Foreign Affiliates Wingreat Limited and Maxtel Limited source and manufacture garments, which are supplied to Fillberg.

and technology equipment expenses, which are paid by DB U.S. and charged to other entities through the Intercompany Accounts. The Intercompany Accounts (i) between the Debtors and the Foreign Affiliates and (ii) between and among the Operating Debtors typically are settled in cash payments from the Cash Management System. In contrast, amounts due to DB U.S. from DBI Midco, Inc. (“Midco”), DBI Holdco II, Inc., and DBI Investors, Inc. (“Investors”) were recorded as book entries but not settled.

Further, in the ordinary course of business, the Debtors have made intercompany loans to each other as well as their wholly owned Foreign Affiliates to fund their operations (the “Intercompany Loans”).

SCHEDULES AND STATEMENTS

1. Schedules A/B

a. Personal Property. The Debtors reserve all rights to recategorize and/or recharacterize the asset holdings described on each Schedule A/B at a later time to the extent they later determine that such holdings were improperly reported.

b. Question 3 (Checking, savings, money market, or financial brokerage accounts). DB U.S. and DB Canada reported amounts in their checking, savings, money market, and financial brokerage accounts based on bank balances and did not account for outstanding checks.

c. Question 55 (Any building, other improved real estate, or land which the debtor owns or in which the debtor has an interest). The Debtors have listed the book value of their real property leases in accordance with ASC 842 of GAAP. The right of use asset and remaining lease liability, if any, have each been listed separately to differentiate between these book value components by lease. The remaining lease liability will offset the value of the asset and, in many cases, will result in a negative book value for a particular lease. Because ASC 842 does not require the Debtors to record leased asset and liability amounts for certain leases (primarily leases with initial terms of less than 1 year), not every lease has corresponding asset and liability amounts.

d. Question 63 (Customer lists, mailing lists, or other compilations). Although the Debtors maintain customer lists, such assets are not assigned any value on the Debtors' balance sheet nor are they allocated to any particular Debtor. For purposes of the Schedules and Statements, these assets have been listed as assets of DB U.S.

e. Question 71 (Notes receivable). Prior to the Petition Date, DB U.K. and DB U.S. each owed DB Canada on account of Intercompany Loans. Receivables associated with the Intercompany Loans are disclosed in response to Question 71 of Schedule A/B of the applicable obligee's Schedules and Statements (and the related payables are disclosed on Schedule F of the applicable obligor's Schedules and Statements).

f. Question 72 (Tax refunds and unused net operating losses). The Debtors have disclosed their U.S. federal net operating losses, U.S. state net operating losses, section 163J carryforward, and work opportunity tax credits at the tax asset value carried on their books, exclusive of the valuation allowances or other financial statement considerations. The tax attributes have been reported on a consolidated basis on Investors' Schedules and Statements, notwithstanding the fact that certain of the tax attributes may be allocable to individual Debtors.

A more fulsome disclosure of their tax attributes follows:

	<u>Gross amount</u>	<u>Tax rate</u>	<u>Tax asset</u>
<u>NOLs</u>			
U.S. Federal NOL	105,747,000	21.0%	22,206,870
U.S. State NOLs	122,456,433	5.31%	6,505,498
Section 163J Carryforward	54,131,808	21.0%	11,367,680
<u>U.S. Credits</u>			
Work Opportunity Tax Credit			1,558,025

g. Question 77 (Other property of any kind not already listed). DB U.S. maintains a long-term receivable from Foreign Affiliate Wingreat. The receivable is on account of to-be-obsolete fabric (inventory balance) DB U.S. has taken ownership of in order to finance Wingreat's acquisition of fabric used to manufacture the Debtors' inventory. This amount is credited against invoices payable by DB U.S. as fabric is used and ages out at 180 days. DB U.S.

Also has receivables from Canada and DB U.K. in connection with those entities' Intercompany Transactions.

2. Claims Listed on Schedules D, E, and F. The Debtors have sought to allocate liabilities between the pre-petition and post-petition periods based on the information and research they conducted in connection with the preparation of Schedules and Statements. In the course of preparing these Schedules and Statements, the Debtors have endeavored to include all amounts outstanding as of the Petition Date plus all amounts included on invoices received and processed after the Petition Date but attributable to the pre-petition period. Unless otherwise stated herein, the Debtors have listed the gross amount of claims as of the Petition Date, even where certain pre-petition obligations have been paid, pursuant to a Bankruptcy Court order, post-petition. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. The Debtors reserve all rights to change the allocation of liabilities to the extent additional information becomes available. Additionally, pursuant to Bankruptcy Court orders (and as set forth in more detail below), the Debtors have been granted authority to pay certain priority pre-petition obligations.

3. Schedule D. Debtors have indicated net book values for liabilities on Schedule D as of the Petition Date. The descriptions provided on each Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

4. Schedule E. The Debtors' corporate and retail store employees are employed by DB U.S., for U.S. employees, including employees that work in the distribution center, and those

in the marketing, merchandising, and purchasing departments, and DB Canada, for Canadian employees. Certain employees had pre-petition wage claims due to the timing of the Petition Date vis-à-vis the Debtors' pay periods. Those wage claims are afforded priority treatment up to the statutory cap of \$15,150. As a result of these pre-petition wage claims, the Debtors also owed monies to various taxing authorities that are afforded priority treatment. On April 17, 2023, the Bankruptcy Court entered an order granting the Debtors authority to pay certain pre-petition employee wage and other obligations in the ordinary course of business on an interim basis [Docket No. 66] (the "Employee Wage Order"). The Debtors subsequently made payments pursuant to the Employee Wage Order. In light of those payments, the Debtors believe that, other than potential claims of certain current and former employees for bonuses, vacation, and/or personal pay in excess of the permitted priority amount, all employee claims and related payroll taxes for pre-petition amounts have been or will be satisfied in the ordinary course of business pursuant to the Employee Wage Order. As a result, pre-petition wage claims and associated payroll taxes have been listed on the relevant Debtor's Schedule E at \$0.00.

Taxes and fees other than payroll taxes, including amounts payable to U.S. Customs and Border Protection, may also have been due and owing as of the Petition Date. The Debtors have listed any and all taxing authorities that, to their knowledge, were owed money or had a sales tax or personal property tax audit pending as of the Petition Date on Schedule E. On April 17, 2023, the Bankruptcy Court entered an order granting the Debtors authority to pay certain pre-petition sales and use taxes in the ordinary course of business on an interim basis [Docket No. 56] (the "Tax Order"). The Debtors subsequently made payments pursuant to the Tax Order. In light of those payments, the Debtors believe that their sales and use tax obligations have been or will be satisfied in the ordinary course of business pursuant to the Tax Order. As a result, certain pre-

petition tax claims have been listed on Schedule E at \$0.00. Finally, where the Debtors have received property tax invoices for the full 2023 calendar year, they have disclosed the balance due to the relevant taxing authorities for the pre-petition prorated portion of such tax invoices on Schedule E.

The listing of any claim on any Debtor's Schedule E does not constitute an admission or determination by the Debtors as to the legal status of such claim, including but not limited to an admission or determination that such claim is entitled to priority treatment under Section 507 of the Bankruptcy Code. The Debtors reserve all rights to dispute the priority status and amount of any claim on any basis. Moreover, the listing of any tax claim on any Debtor's Schedule E does not constitute an admission or determination by the Debtors as to the legal status of such claim, including but not limited to an admission or determination that such claim in fact exists or should be allowed as a pre-petition tax claim.

In the ordinary course of business, customers of DB U.S. and DB Canada placed deposits or prepaid for dresses that remained in the Debtors' possession, either because such dresses were special orders or because they were purchased on layaway. The Debtors carry special order and layaway dresses on their books at book value. DB U.S. and DB Canada also maintained possession of certain dresses in need of alterations and of other dresses their customers purchased from third parties and brought to DB U.S. and DB Canada, respectively, for alterations. As of the Petition Date, the Debtors possessed approximately 133,000 dresses associated with special orders, layaways, and alterations. Although many, if not most, of these dresses have since been retrieved by their respective owners, DB U.S. and DB Canada have disclosed liabilities on Schedule F in recognition of their possession of the dresses in question.

5. Schedule F. As set forth above, the Debtors have indicated net book values for liabilities on Schedule F as of the Petition Date. The claims listed in each Schedule F fall into the following general categories:

a. Vendor claims: Vendor claims consist of claims of individual creditors for, among other things, goods and services. In the ordinary course of business, the Debtors dispute the amounts and usage of goods and services provided by their vendors. As a result, the Debtors may possess certain claims and causes of action against various vendors, including contingent claims in the form of counterclaims or setoffs. For purposes of each Schedule F, the Debtors have scheduled the gross amount of such claims but reserve all rights to supplement such amounts to reflect additional claims, objections, counterclaims, rebates, allowances, and/or setoffs with respect to same.

b. Claims of Counterparties to Leases and Executory Contracts. Pre-petition amounts owing to, among other things, counterparties to executory contracts and unexpired leases may also be reflected on Schedule F. These amounts do not include rejection damage claims of the counterparties to executory contracts and unexpired leases that may be rejected.

c. Claims of Litigation Counterparties and Insurance Claimants. Claims of litigation and other insurance claimants have been listed as “unknown” in amount on Schedule F. The Debtors may have various objections, defenses, counterclaims, third-party claims, and other rights in connection with such claims, all of which are expressly preserved.

d. Gift Card Claims. Historically, DB U.S. maintained a program by which their customers could purchase gift cards (collectively, the “Gift Cards”) that can be redeemed for the Debtors’ merchandise at a later date. DB U.S. does not maintain records of customers who have purchased or received Gift Cards. Accordingly, DB U.S. has disclosed an aggregate liability

associated with this program on Schedule F in the amount set forth on its books and records, which amount does not account for a breakage assumption. The gross liability associated with the Gift Cards is higher than the amount disclosed. For purposes of Schedule F, DB U.S. has aggregated its book liability for store credits with its liability for Gift Cards.

e. Heirloom Product Claims. Historically, DB U.S. and DB Canada sold an heirloom product pursuant to which customers pre-purchased the right to have dresses dry cleaned and preserved at a later date and time (the “Heirloom Product”). DB U.S. and DB Canada do not maintain records of customers who have purchased the Heirloom Product. Accordingly, DB U.S. and DB Canada have disclosed an aggregate liability associated with this product on Schedule F in the amount set forth on its books and records, which amount does not account for a breakage assumption. The gross liability associated with the Heirloom Product is higher than the amount disclosed.

6. Schedule G. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may exist or have occurred. Where the Debtors were not able to identify the counterparty to a particular contract or agreement listed on Schedule G, the Debtors have listed their assigned vendor ID as the counterparty. The Debtors hereby reserve all rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements which may not be listed thereon. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space,

and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease.

7. Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein parties set forth in 11 U.S.C. § 101(31)(B), including each of the Debtors' (a) "directors" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtors have attempted to exclude in such applicable Schedules and Statements information relating to certain of their employees who, despite the title of their position with the Debtors (including without limitation certain employees with the title of "officer") are not "officers" of the Debtor as such term is used in the Bankruptcy Code because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed officers of the Debtors, and/or (iii) do not have and have never had any material inside information as a result of their employment with the Debtors. The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtors, management responsibilities, functions, decision-making, corporate authority, and/or as otherwise defined by applicable law, including, without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose.

8. Statement of Financial Affairs

a. Questions 4 & 30. In some instances, the Debtors have transferred to certain employees, officers, and directors restricted stock that vests over time. The Debtors have disclosed the full value of such stock as of the date it was granted/transferred.

b. Questions 16. Although the Debtors maintain personally identifiable information, it is not maintained by any particular Debtor. For purposes of the Schedules and Statements, it has been listed as maintained by DB U.S.

c. Question 21 (Property held for another). The Debtors hold certain funds associated with the Blueprint Registry program in trust for their beneficiaries. Although these funds are nominally associated with the Blueprint Registry program, they are held by and disclosed on the Schedules and Statements of DB U.S., not Blueprint Registry, LLC.

Separately, and as set forth above, in the ordinary course of business, customers of DB U.S. and DB Canada placed deposits or prepaid for dresses that remained in the Debtors' possession, either because such dresses were special orders or because they were purchased on layaway. The Debtors carry special order and layaway dresses on their books at book value. DB U.S. and DB Canada also maintained possession of certain dresses in need of alterations and of other dresses their customers purchased from third parties and brought to DB U.S. and DB Canada, respectively, for alterations. As of the Petition Date, the Debtors possessed approximately 133,000 dresses associated with special orders, layaways, and alterations. Although many, if not most, of these dresses have since been retrieved by their respective owners, DB U.S. and DB Canada have disclosed dresses in their possession in response to Question 21.
